- ❖ Cumulative Percentage: 64.62%

ACADEMIC PROJECTS

PEMS | *Post-Earthquake Management System* | Final Year Project (De Montfort University)

A web-based .NET application system that can manage the reconstruction process of disaster-damaged houses that can process survey data from damage scenarios in the affected areas after an earthquake occurs and can be useful for the decision-making teams in organizing and formulating the strategic post-disaster response.

- ❖ N-tier Architecture pattern, HTML, CSS, JavaScript, ADO.Net Entity Data Model, Entity Framework, MSSQL, Chart.js, jQuery DataTable.
- ❖ Features like Survey Module, Inspection Module, Payment module and Report module to represent the reconstruction process.
- ❖ GitHub Reference: https://github.com/bhattaprabin/PEMS_DeMontfort_Project

LANGUAGE SKILLS

Mother Tongue(s): **Nepali**

Other Language(s):

	Listening/ Reading	Speaking	Writing
English	B2	B2	B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

ADDITIONAL INFORMATION

ORGANISATIONAL SKILLS

Being a developer at 4Pix Solutions, I acquired the skills to.

- ❖ Manage the product, upload the code to production server and update stored procedures to database server.
- ❖ Communicate with clients to gather requirements and present product features through training and Microsoft Teams.
- ❖ Develop problem-solving, communicative and leadership skills with ability to achieve deadlines.

Being a Mobile Repair Technician at Leicester Phone Repair, I managed to.

- ❖ Develop interpersonal skills along with confidence that I am quick learner.
- ❖ Adapt promptly to change and possess excellent customer service experience.
- ❖ Develop a positive attitude.

TEACHING EXPERIENCE

Durga Shaikshik Griha | *Secondary School Teacher*, | Rupandehi, Nepal

Aug 2015 – Dec 2016

- ❖ Taught compulsory mathematics to students in grades 8, 9, and 10.
- ❖ Served as a hostel warden for 10th-grade students.
- ❖ Regularly monitored, counselled, and mentored Student through academic prizes and extracurricular activities.

Department for Education (HyperionDev skills Bootcamps)

Feb 2023 – Present

As, I am passionate about software development I am now shaping my skills in python through the skills bootcamp funded by Department for Education (Gov.UK) for the duration of 3 months.

- ❖ Python web development
- ❖ SQL and Django framework for Python in the backend.
